

Jeffrey-Cowan Forest Preserve, Stony Lake

Donor: Norman Cowan

Size: 135 acres

Status: Pending Final Agreements

Est. Land Value: \$2,000,000

Interesting Features

- Highest Point surrounding Stony Lake, creating scenic views.
- Significant forest comprising large older growth White Pines and White Oak (rare to the area).
- Outstanding iconic site that typifies the treasured and exclusive Stony Lake.
- One of the largest undeveloped shoreline areas on the lake.
- Public access, eastern extend of the Stony Lake Trails network.
