Protecting the land you love.

### **KLT preventative measures re: Corona Virus (Covid-19)**

March 16, 2020

Kawartha Land Trust (KLT) is committed to maintaining a safe and healthy workplace, and playing our role in helping to “flatten the curve” of COVID-19. We recognize that the individual health practices of our employees and volunteers impact KLT, just as KLT impacts their health. The situation is rapidly evolving and we are taking measures to ensure the well-being of our staff, volunteers, donors and stakeholders. Some of these are:

- Following [Public Health guidelines on how to protect yourself and family](#): including washing hands often, coughing or sneezing into a sleeve and staying home if feeling ill;
- increasing disinfecting of personal and communal work spaces;
- encouraging social distancing, including setting up options to work remotely;
- postponing in-person meetings at KLT offices and in the community.

Please check back here for any further developments. In the meantime, one of the healthiest places to be is outside, so why not take this opportunity to explore the beauty of spring on one of KLT's many trails.

Visit <https://kawarthalandtrust.org/winter-on-klt-trails/> for some great trail options!

Should you have any questions or concerns please don't hesitate to contact me at [jkintare@kawarthalandtrust.org](mailto:jkintare@kawarthalandtrust.org) or at 705-743-5599 xt 2

Stay healthy,

John Kintare  
Executive Director  
Kawartha Land Trust
